Who We Are

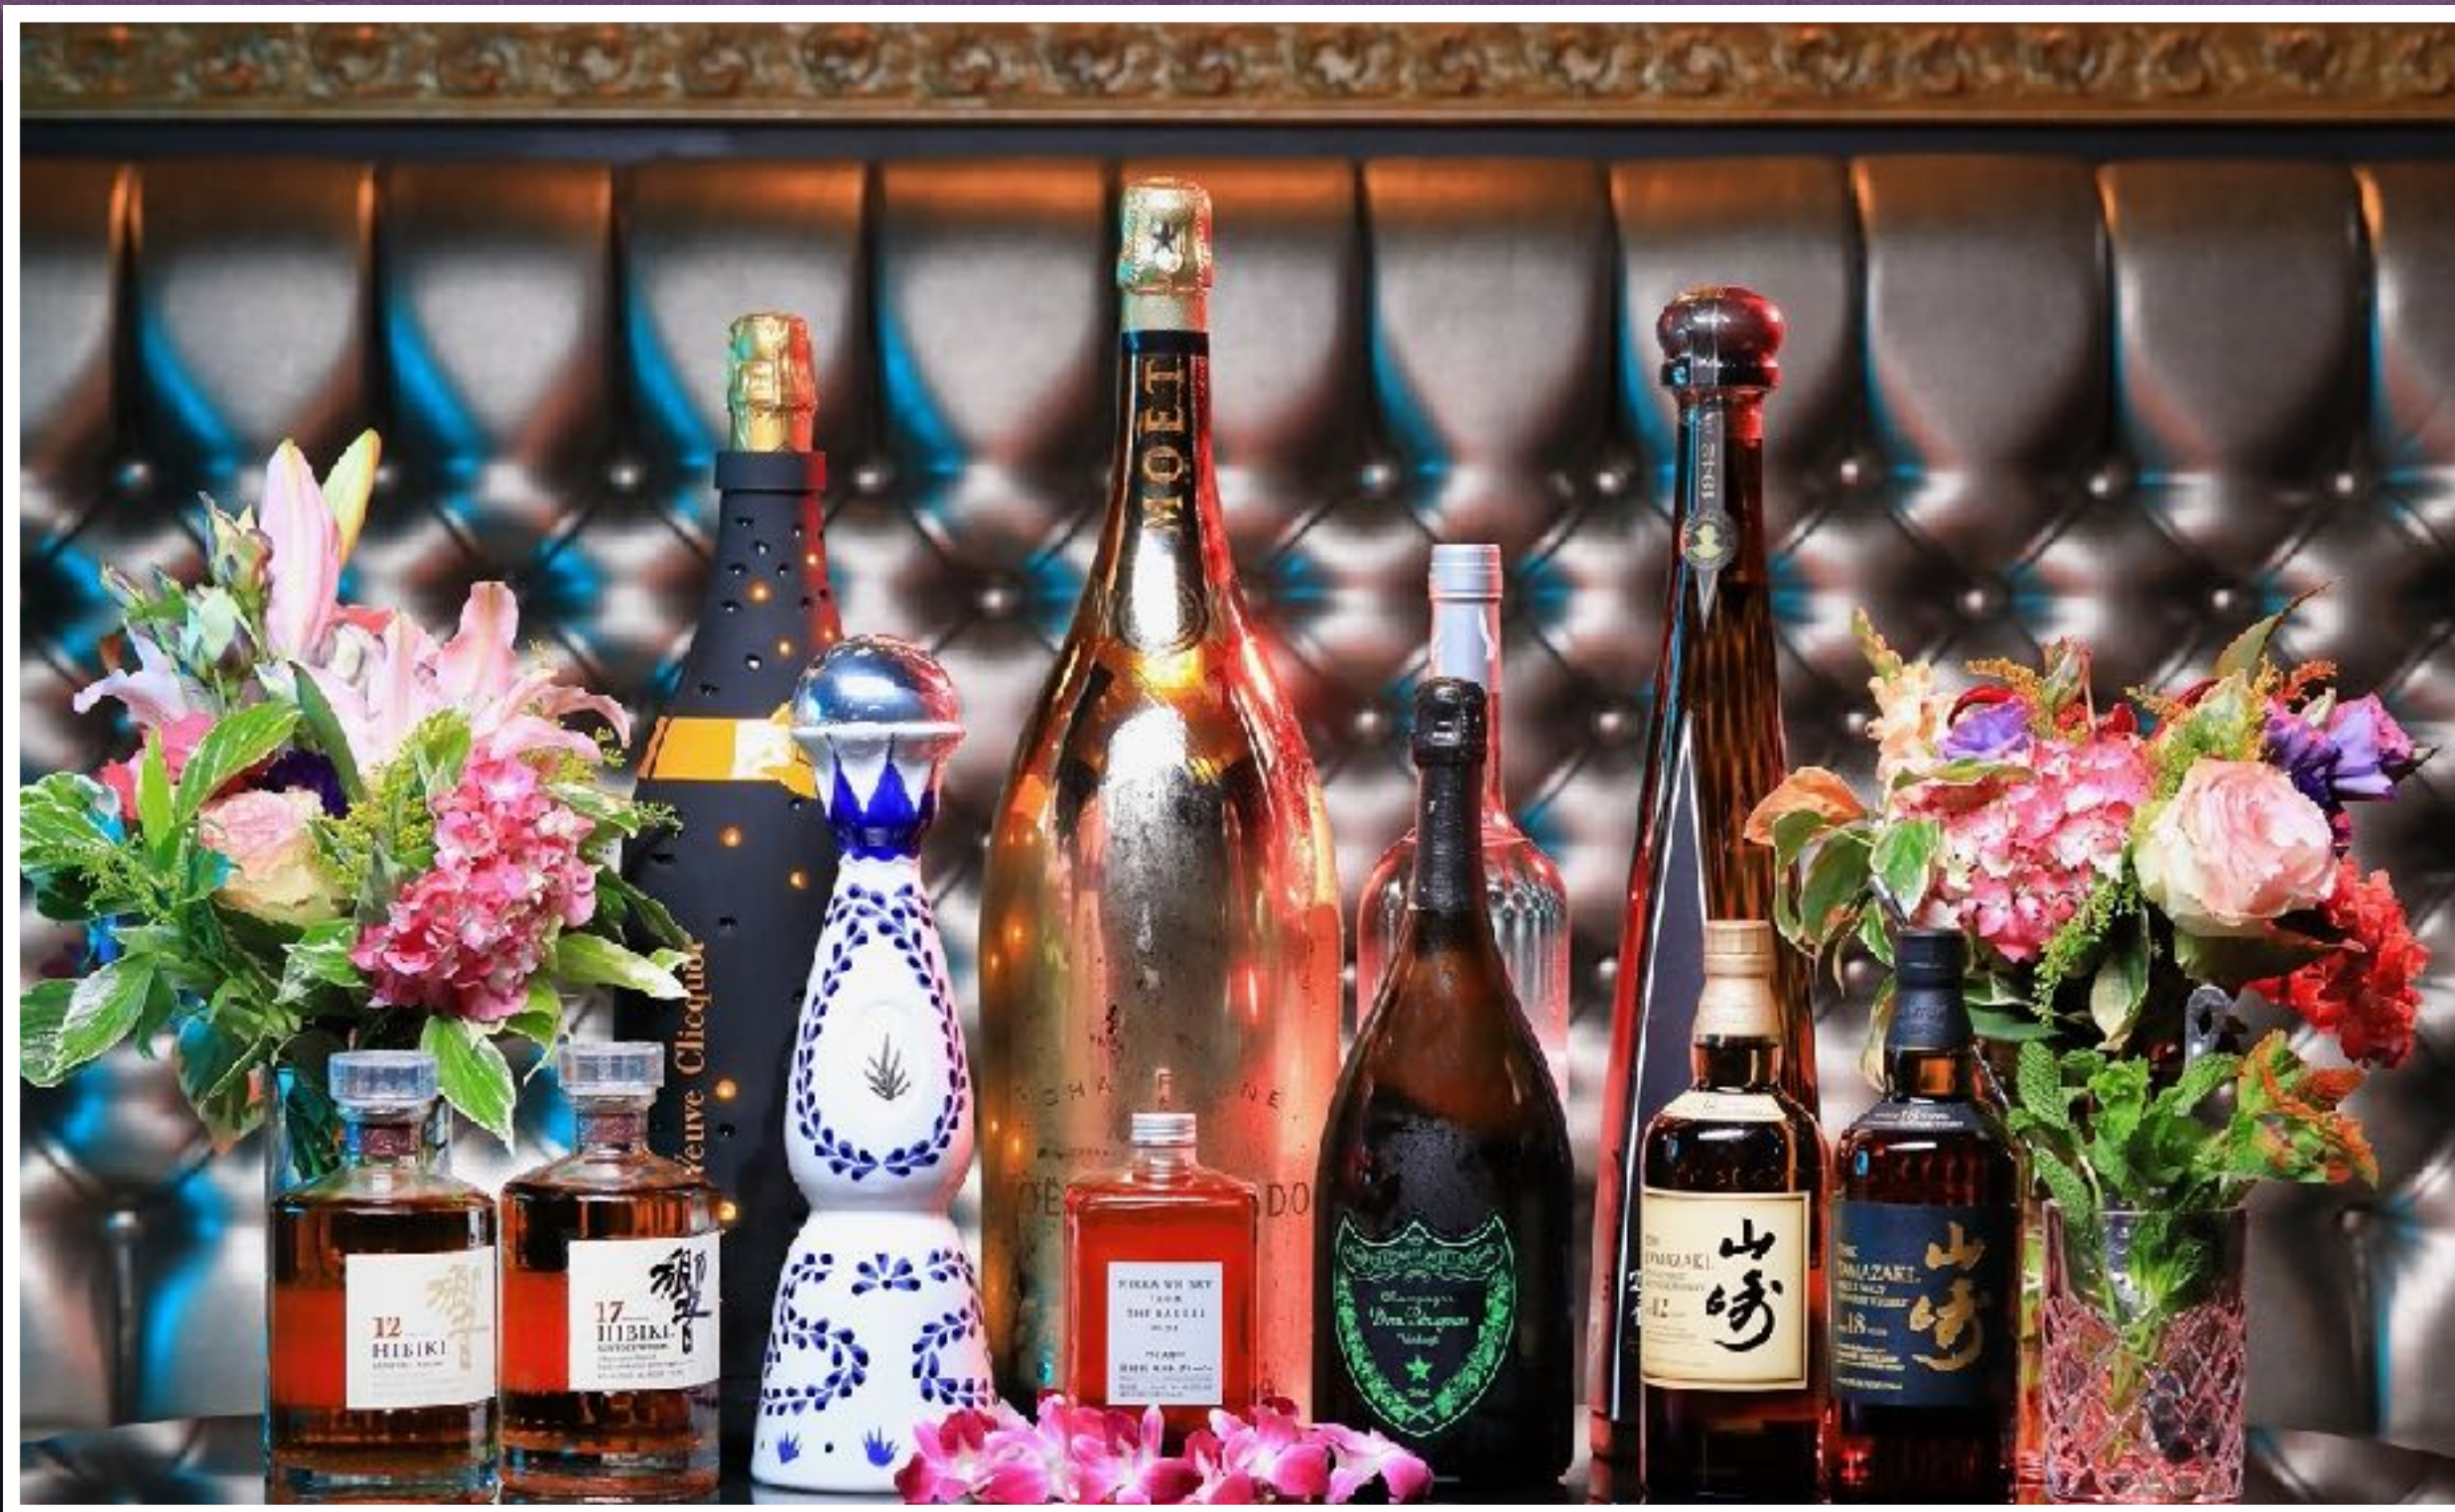

Located just a block from Union Square and situated within a beautiful brick basement, beneath the hustle and bustle, lies Hawthorn. About a century ago this area of San Francisco once housed lustful brothels and drug-stores; today, it is San Francisco's most fashionable district and our space is designed to offer the perfect blend of craft cocktails and sophisticated nightlife.

The unique hybrid space has a full venue capacity of **325** guests* and features two rooms. The Main Room is accented by Austrian drapes and deep purple ceiling swathes with plenty of lounge seating and can accommodate up to **250** guests. The Bonaparte Room offers a more hidden experience in the back of the venue boasting classic décor inspired by 1930's Hollywood and hosts up to **75** guests.

Hawthorn features a concert-grade Void Acoustics® sound system with full DJ capabilities. We've had world-class artists on the decks such as Kaskade, Claude Von Stroke, Cherub, Ardan, Mayer Hawthorne, HVOB, Miguel Migs, Mark Farina, Doc Martin, Mikey Lion, and special appearances by Talib Kweli and G-Eazy.

Hawthorn offers a thoroughly modern craft cocktail menu as well as classics dating back to Prohibition and earlier eras, all prepared by some of the city's finest mixologists.
